

# Psychopathy in Social Media Discussion

In this assignment, you are to read and utilize the paper written for this section, [Serial Social Media Psychopathy-Identifying a Novel Social Media Phenomena](#) (Links to an external site.). Next, respond to this discussion board by posting the link and utilizing information from the article to explain why you feel it meets criteria. Lastly, identify a classmates response by reading the link they provided as well as their post and respond with your agreement/ disagreement explaining why. You will not be able to see classmates responses until you have posted your initial response.
