Assignment: Analyzing Opposing Opinions & Evidence

Published <u>Edit</u>

Focusing on your chosen political/social issue, research opposing opinions to yours on this issue.

Choose a maximum of three sources and write a summary of the opposing side's view.

Questions to Address: What arguments do the sources make in favor of their position? Do they provide evidence for support? Do they exhibit any bias? Do you find them a trustworthy source of information?

You do not need to specify a logical fallacy, but you may discuss logical fallacies in your response.

Write a MINIMUM of 500 words.
