

# Assignment: Cross-Curriculum Source Analysis #1

✓ Published

 Edit

Socio-political issues often have far-reaching effects, impacting a broad range of people and cultures.

Find sources from at least three different disciplines (science, economics, religion, foreign affairs, psychology, agriculture, etc.) that address your issue from that particular discipline's perspective.

Read through each source and write a brief summary of each (**minimum 250-words**).

After the summary of each source, write a short evaluation of this source (**minimum 100-words**).
